

How to Create a Gmail Account

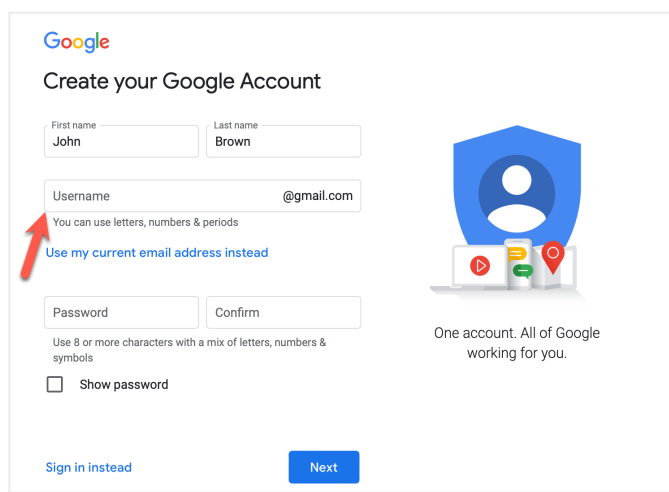

1 Go to www.google.com and click **Sign In**.

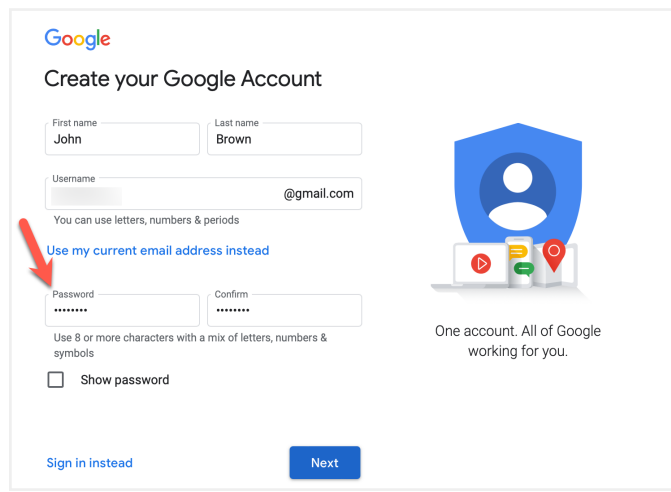

2 Click **Create account** and select **For myself** from the drop-down menu that appears.

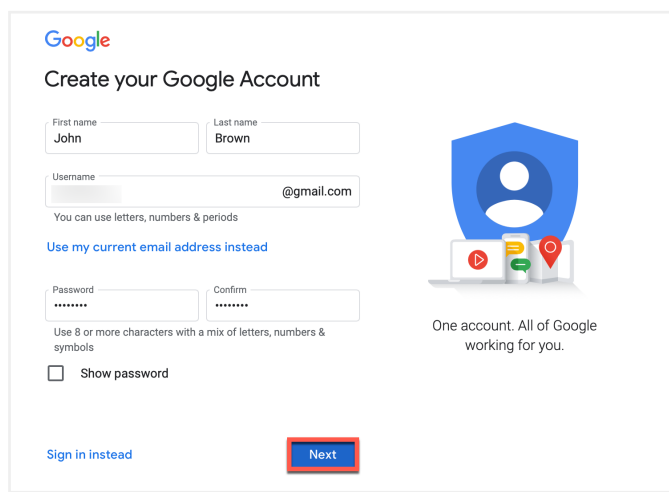

3 Enter your first and last name.

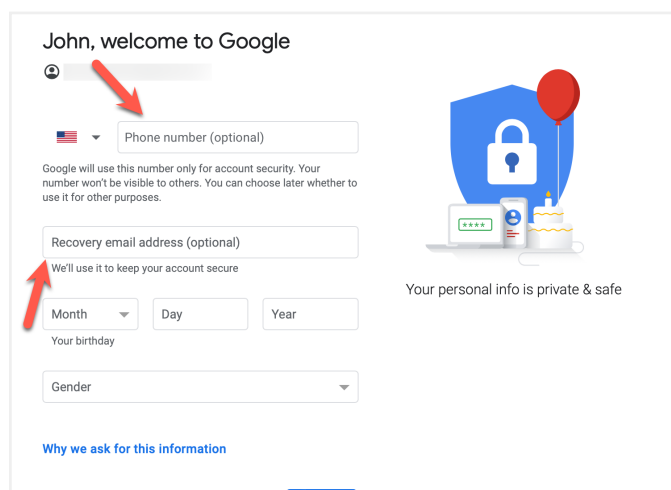

4 Enter your desired email address in the “Username” field.

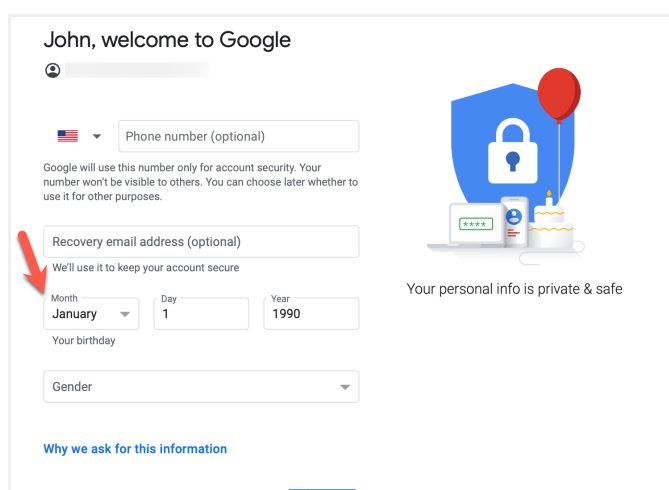

5 Enter and confirm your password.

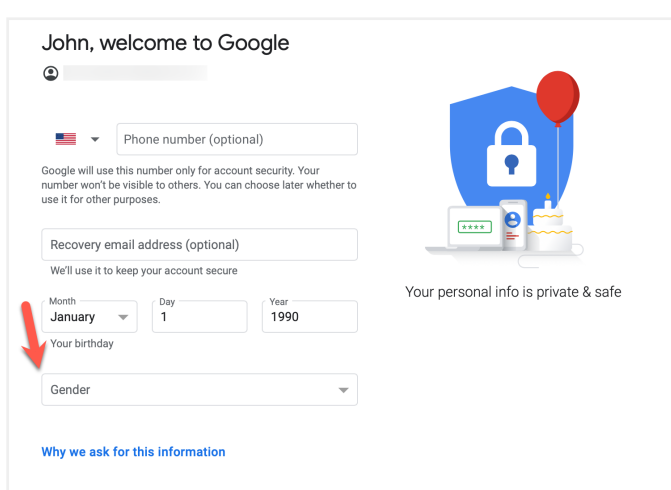

6 Click **Next**.

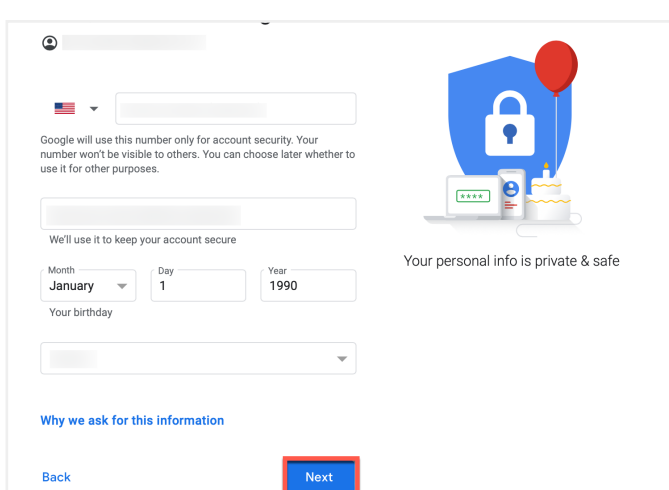

7 Enter your phone number and an additional email address so you can easily recover the account if its security is compromised.

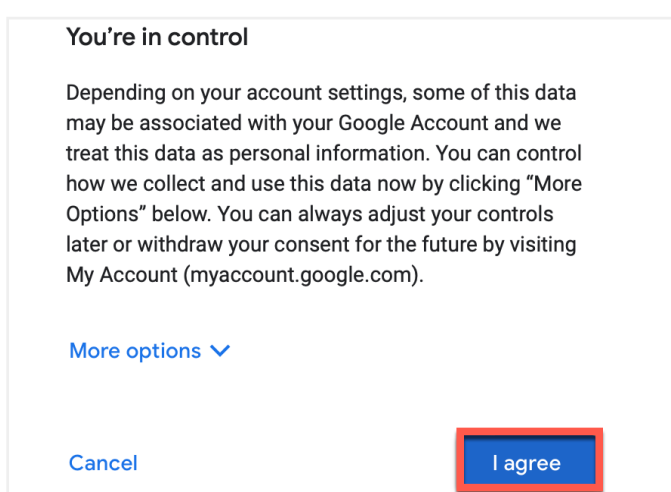

8 Enter your birth date.

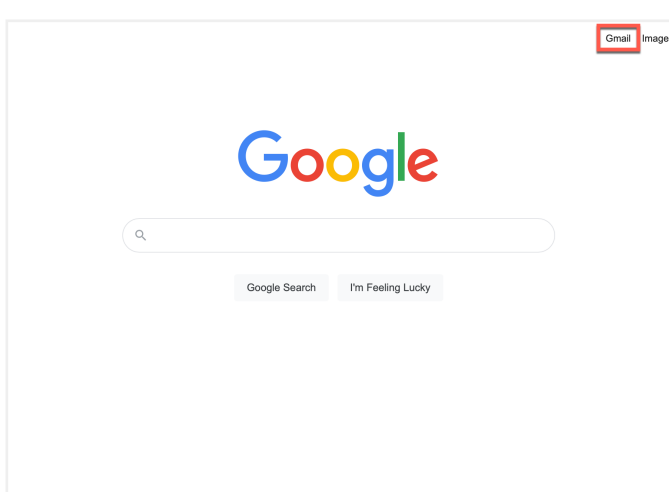

9 Click the “Gender” field and select your gender from the drop-down menu that appears.

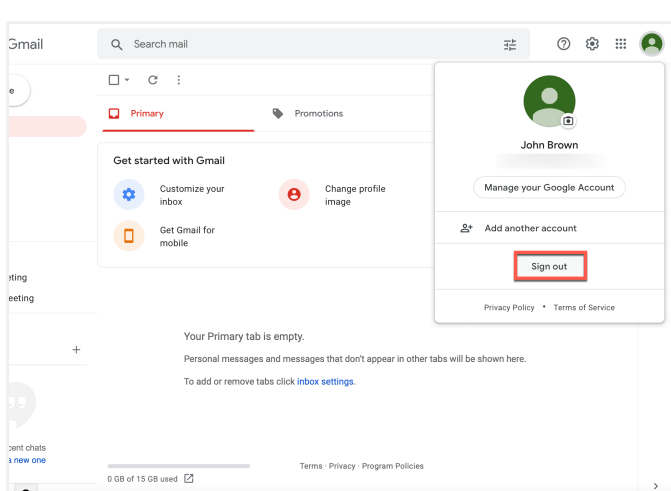

10 Click **Next**.

11 Read Google's Privacy Policy and Terms of Service. Click **I agree** if you accept these terms.

12 Go to www.google.com and click **Gmail**.

13 Click your user icon and click **Sign out** once you are finished using your Gmail account.
